

TOR for Engagement of a Consultant

The Fisheries and Animal Resources Department (FARD), Government of Orissa proposes to prepare a long term action plan for development of fisheries with the objective of increasing fish production, creating employment and income generating opportunities developing infrastructure facilities etc. Currently, the FARD is looking for a consultant for the following purpose.

Responsibilities:

In close coordination with the State Government of Orissa, particularly the Experts of the Directorate of Fisheries, Orissa, Orissa Pisciculture Development Corporation (OPDC), Chilika Development Authority (CDA) and others, as felt necessary, the consultant will:

1. Prepare a consolidated project proposal covering various requirements of the State for seeking NFDB assistance.
2. To prepare a plan for comprehensive fishery development programme for Chilika with due regard to exports and the domestic market

The consultant will go through the NFDB guidelines and prepare proposals after discussion with the officials of the Directorate, OPDC, CDA and others.

The consultant may be required for a period of a minimum of two months for the above purpose. Suitably qualified fisheries professionals having wide practical experience are requested to apply by sending the CV. Experience in export development is desirable. The applicant must quote a consolidated fee to be paid for the entire assignment.

The offer from the consultants should be received in the following address by 15th Oct 2009.
